StockFood

StockFood was founded in Munich in 1979 by Pete E Eising and now has a total stockfile comprising 250,000 rights-managed and royalty-free food images by more than 500 photographers, making it most probably the largest international food picture agency. StockFood employs 45 staff at its head office in Munich and at its sales offices in Kennebunk/Maine (opened in 1995) and London (2007). The company is represented on all continents through an international network of partner agencies.

Main emphasis: national and international dishes, A-Z of ingredients, drinks, wine and wine-growing, festivals, public holidays, special occasions, set tables, table decorations, buffets, step-by-step preparation of food.
